IN THE EVENT OF NOT BEEN ABLE TO CONTACT TOURNAMENT BASE, PLEASE CONTACT YOUR NEAREST VESSEL

Should any vessel suffer total radio failure, the boat skipper must attempt to notify another vessel of the problem and have them notify Marlin Base, they must then immediately return to port. Once in port it is the responsibility of the skipper to sign off with a tournament official as listed in Tournament Rule 1.

If a vessel misses two (2) radio scheds Marlin Base will commence the emergency procedures.

Captures and Tagged fish not reported on the correct radio Sched will not be eligible in the tournament point score or trophies.

All boats are to report on **EVERY** sched. All boats must report to Marlin Base on returning to port.

At the final sched for each day each boat is required to confirm their ETA back in Port and their current grid position.

FISH HANDLING: All fish should be removed from the weigh station after weighing. Competitors and crew must not, without a tournament official's permission, clean or fillet fish or remove shark jaws in the vicinity of the weigh station, not at any time near any beach or harbour foreshore area. In the event of any shark or marlin given away for eating, only the fillets may be given and the remaining carcass is the responsibility of the skipper and crew.
